NEVADA LIBRARY STATISTICS

Nevada Revised Statute 378.081 (2) directs the State Librarian to "Collect, compile and publish statistics and information concerning the operation of libraries in the state." The following tables were compiled from report forms submitted by libraries to the Library Development Division of the Nevada State Library. The information supplied was in some cases modified by further consultation with librarians and other sources as indicated in the footnotes.

We thank those people who have taken time and effort to supply us with meaningful information.
